

Thomastown Recreation & Aquatic Centre (TRAC) Redevelopment

The Thomastown Recreation and Aquatic Centre is currently undergoing a \$22 million makeover and has been closed as of 31 October 2008 for a major redevelopment by the city of Whittlesea.

Come and join FM Smart for an exclusive behind the scenes look at the overhaul to date which will create a modern, new aquatic and community recreation centre with a mix of facilities to support accessible fitness and aquatic activities for people to recreate, learn, improve their health and fitness, and socialise. The facilities will be fully accessible to people of all abilities.

You will discover the following:

- How TRAC, a State of the art Aquatic and Recreation facility, will be one of the most access friendly and sustainable facilities of its kind.
- TRAC's approach to sustainability - Co-Generation unit, double glazing, roof lights, insulated, water tanks, clear water recovery unit, recycled products and existing structure and materials used as part of the redevelopment.
- Their Community Hub concept in design for the regeneration of an established community.
- How they will approaching Access and being multiculturally design friendly, e.g. ramps or beach access to all pools, access change rooms with overhead hoists, one with a fully overhead tracking hoist into the hydrotherapy pool and fully shuttered pool for privacy for culturally sensitive groups.

Join Sarah Loh, Team Leader – Contract Manager Leisure Facilities along with Architect Robert Mehegan- Henderson & Lodge and Whittlesea Project Manager Tony Cambrea for an informed and enjoyable behind the scenes look.
