Facility Management Association of Australia

The Facility Management Association of Australia Ltd (FMA Australia) is Australia's leading professional body for facility managers, who are professionals involved in the strategic and operational management of significant facilities in public and private sector organisations. Facilities include commercial, educational, industrial, government and landmark buildings or infrastructure. Facility Managers either manage aspects of these facilities or provide services to them.

Since its establishment in 1989, FMA Australia has seen significant growth, with some 2,000 individual and corporate members and branches in New South Wales, Victoria, South Australia, Western Australia, Queensland and the Australian Capital Territory.

FMA Australia provides a range of member services including networking , professional development opportunities, an industry credential program, support for special interest groups and a national annual conference, ideaction, held each year in May.

Through taking a leading advocacy role on behalf of its members, FMA Australia represents the interests of the FM industry to government and regulatory bodies, encourages the development of university courses in facility management and promotes the facility management profession to senior management and the media, to increase the understanding of this important area across business and the wider community.

FMA Australia also enjoys a productive relationship with IFMA and BIFM through its Partners in FM Excellence agreements with IFMA and BIFM and is proud to be a founding member of Global FM.

About ideaction10

FMA Australia's annual conference, ideaction, is the premier facility management learning and networking event in the Australasia region.

Held over three days in May, the conference combines a line-up of world-class speakers covering the latest FM issues and insightful site visits. It's not all work though, with a range of social and networking events which includes the highly popular Chairman's Welcome Reception and the Gala Dinner.

ideaction10: *ideas in action*, will be FMA Australia's 21st annual conference and will be held in Perth from 12-14 May 2010.

FMA Australia Website

FMA Australia Website Advertising Opportunities

Why advertise on the FMA Australia website?

3500 hits a week

FMA Australia's website is the number one repository of facilities management knowledge with member services information, events registration facilities, recruitment and career position listings, newsletter archives and news. A quick search in Google on facilities management or facility management worldwide will provide testament to this fact.

Statistics on your advertisement's performance

We can supply statistics regarding your advertisement's performance, providing you with measurable results and a feedback basis for further marketing improvements.

Ability to change advertisement copy on the fly

One client increased their click-through rate three-fold by publishing an altered advertisement promoting an information night for their product – a call to action that got results!

Advertising Options

The development of the website advertising component now provides two advertising formats, the banner advertisement and the tower advertisement, as well as the capability to display advertisements on individual pages.

Banner Advertisement

The banner advertisement is 550 pixels wide by 70 pixels high and is available at \$550 + GST per month, with a minimum booking period of three (3) months.

Tower Advertising

A maximum of five (5) tower advertisement positions will appear below the Event Calendar. Tower advertisements are 120 pixels wide by 170 pixels high and are available at \$380 + GST per month, with a minimum booking period of three (3) months.

Details, discounts and loadings applicable

Where more than one banner advertisement is booked for the space, a maximum of five (5) advertisements appear on a random rotational basis, at one per page view.

Advertising copy may be changed during the time booked for your advertisement.

Presently there is a loading for the *Home* page of 15%. Other pages that rank quite highly in traffic are the *FMA Online Directory* page, the *Job Listing* page and the *Event Calendar* page.

There is a discount of 10% for a six (6) month series and 15% for 12 months.

FMA Australia members receive a 20% discount on these rates.

Facility Perspectives

Facility Perspectives Advertising Opportunities

Facility Perspectives is the official quarterly publication of FMA Australia and has received widespread acclaim over the past three years. With national and overseas distribution to all FMA Australia members, Facility Perspectives has established itself as the 'must have' publication for all facility managers and the broader industry.

Facility Perspectives has been at the forefront of providing editorial content to assist facility managers with implementing innovative, cost saving and energy efficient initiatives within their own organisations.

Facility management (FM) is one of Australia's fastest growing and diversifying industries. With an annual turnover of more than AUD\$20 billion to GDP and 200,000 full time employees (or equivalents), it is now one of Australia's major business sectors.

Facility Perspectives is the vehicle of choice to reach this lucrative sector and we look forward to discussing an advertising package to suit your needs.
